

STEP BY STEP TO THE GOAL

This structure helps to realize small steps to behavior we wish to achieve

GOAL:

Proposition	Prompt	Reinforcement	Opportunities for practice	Consolidation

Example

GOAL:

Access to educators, get unscrewed face to teacher, look in his eyes; if you do not speak, pressed his hand, and if speak - would say good morning.

Proposition	Prompt	Reinforcement	Opportunities for practice	Consolidation
1. Come in the group in order to access to the educator.	1. Mom several times brings the child educators; 2. The teacher demonstrates invitation hand gesture (hands stretched out, still let down until we no longer display a call).	1. A nice hug; 2. Offer a key.	1. Say hello several times a day; 2. Say hello came home from professionals.	1. At home with symbols; 2. With the children; 3. With teacher; 4. With toys; 5. With the coming of specialists; 6. The strangers who come to the group.
